

VILLA VADA

Built in 1600, Villa Vada is situated in Torno, directly on the lake shore. It has a small private garden overlooking the lake and it is very close to the centre of the small village of Torno. From the Villa it is very simple to reach Como downtown, since the public boat pier is just a few steps away and the boat takes only 15 minutes to reach Como main port.

The living area, dining room and kitchen are on the ground floor and all have French windows out to the terrace with chairs and table. On the upper floor there are four double bedrooms and two are on the attic floor.

The Villa is very quiet and offers a great view on the lake.
